

# Farro Squared

**Size:** 1, 2, 3, 4, 5

**Finished Measurement at bust:**  
Approx. 36", 40", 44", 48", 52", 56"

**Materials:** 4(4, 4, 5, 5, 5) balls of Berroco Farro 80% cotton/20% nylon, 50g/164 yards. Size 8 needles, circular or straight.  
Top is worked in two pieces. Yarn amounts are figured for a 22-25" length – or to fall at hip.

**Gauge:** Approximately 18 stitches x 28 rows = 4" in welting pattern, blocked. Be sure to wash your swatch, as row gauge changes A LOT when washed.

**Farro Squared** is a lightweight, tee, made to be worn with 4-8" of ease, or to your liking! The welting pattern is simple, but drapes nicely. There is no neck shaping, since the pattern stitch shapes the neckline nicely on its own. Farrow is a very lightweight, airy cotton blend that lends itself perfectly to this gauge.  
Side slits, neckline width, and sleeve openings are all determined by your preferences, as all are sewn after knitting and are easily customizable!

## **Directions:**

Cast on 86(94, 104, 114, 122, 132) stitches.

## Begin **Welted** stitch pattern

Row 1: SL1 purlwise WYIF, K to last 2 stitches, SL1 purlwise WYIF, K1  
Row 2: SL1 purlwise WYIF, P to last 2 stitches, SL1 purlwise WYIF, K1  
Row 3: SL1 purlwise WYIF, K to last 2 stitches, SL1 purlwise WYIF, K1  
Row 4: SL1 purlwise WYIF, K to last 2 stitches, SL1 purlwise WYIF, K1  
Row 5: SL1 purlwise WYIF, P to last 2 stitches, SL1 purlwise WYIF, K1  
Row 6: SL1 purlwise WYIF, K to last 2 stitches, SL1 purlwise WYIF, K1

Repeat this 6-row pattern until you have reached desired length, ending with row 5 of pattern. It's a good idea to figure out how many rows to knit according to your gauge, since this stitch pattern will be a lot shorter prior to blocking. (Model sweater is 25 repeats of the pattern and is approx. 24" long from shoulder.)

Bind off all stitches knitwise. Block before sewing, to insure correct fit for side slits & armholes.

Sew shoulder seams first, and try on to decide how wide you'd like the neck to be. Then, try on and mark for armholes. Sew side seams, leaving the bottom 3-4" open and sew up to armhole markings. Try on before weaving in ends, and adjust as needed. Weave in ends, wash and block.

**Note:** Side seams can be sewn with the edging rolled to the outside, or rolled to the inside. Try both, and go with what you like best!

### ABBREVIATIONS:

**K**=Knit   **P**=Purl   **K2tog**= Knit 2 together   **PM**= Place marker   **Kf&b**= Increase by knitting into the front & back of stitch.  
**SSK**= Slip 2 sts, one at a time as if to knit. Insert left needle into fronts of these 2 sts from left to right and K2tog in this position.  
**Y/O**= yarn over (bring yarn in between and then over right hand needle)   **WS**= wrong side   **RS**= right side  
**M1L**= with left needle pick up bar between st just worked and next st on left needle from front to back and knit through the back.  
**M1R**= with left needle pick up bar between st just worked and next st on left needle from back to front and knit through the front.  
**WYIF** = with yarn in front   **WYIB** = with yarn in back   **SL** = slip
